

Week 24

The edging of last week is called Store Sotrynet or the Big Pignose. This week we combine this edging with an insertion called Sjubladrosa or Seven Leaved Rose. Combining of edgings and insertions was done a lot in the Skåne laces. This way the laces were made wider and insertions could be altered into edgings.

For this lace you need 15 pairs of bobbins with linen 80/2 or similar.

This lace is made in whole stitch (red in the diagram) and cloth stitch (blue in the diagram).

Have fun with this nice edging.
