

Week 33

We start with a series of plaited laces. This one is designed and made by Lia Baumeister. The large pattern can be used with linen 50/2, the small one with linen 70/2 or DMC fil à dentelles 80. You will need 10 pairs of bobbins.

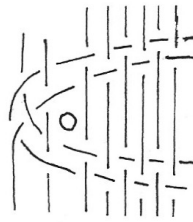

In the lace you will encounter some difficulties.

Tek. 1.

The numbers tell you where they are:

1. At the edges of the cloth stitch a Ragusa return stitch is made. This is a cloth stitch plus a half stitch.

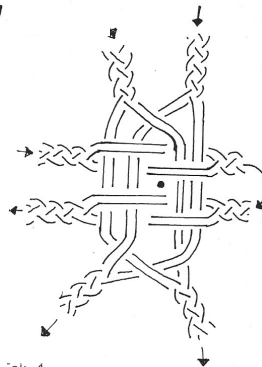

Tek. 2.

2. This is a special crossing of three plaits.

3. In this place a horizontal crossing is made with 6 pairs.
