

Week 37

This is the last plated lace of this series. A edging with a story. Around 1990 we, the group of lace teachers, made clothes for a doll according to a photo. All edgings and insertions had to drawn similar to the laces on the portrait.

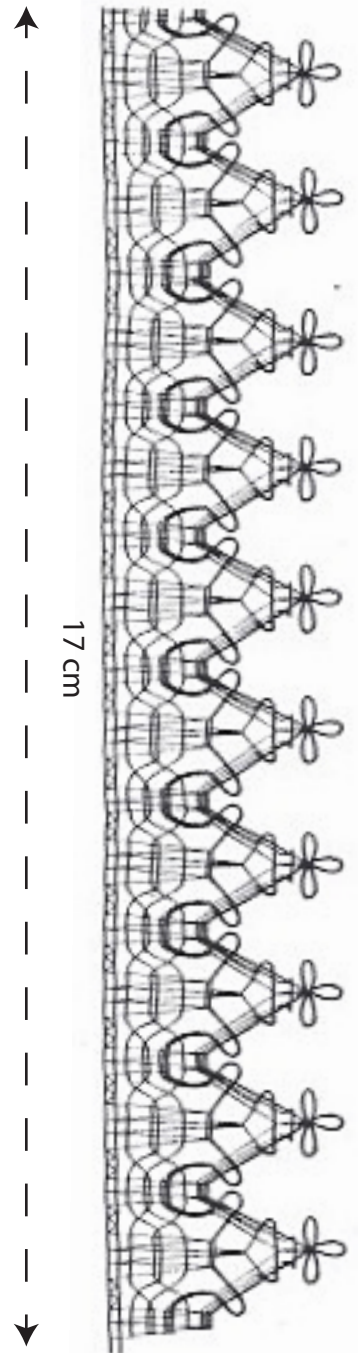

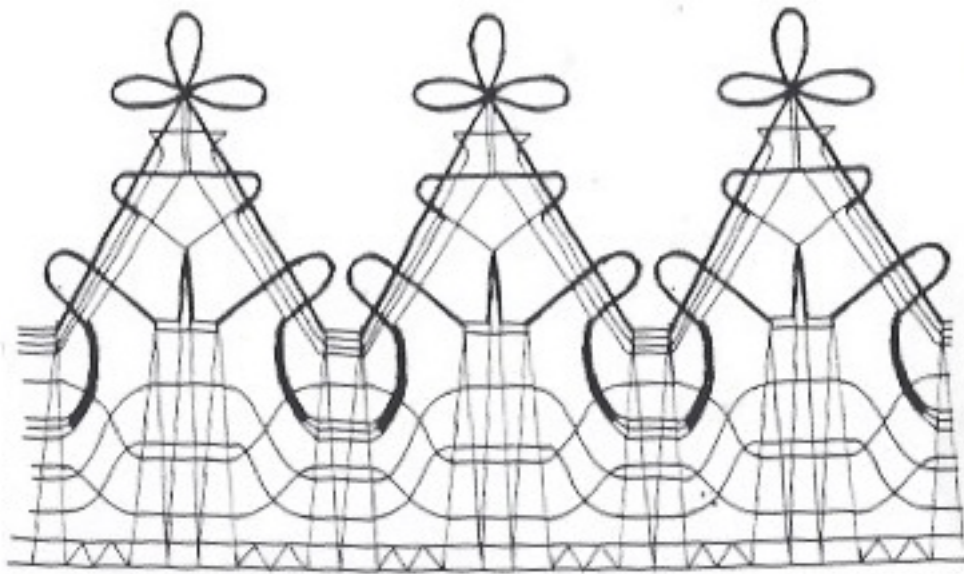

This edging was sewn to the cap beneath the hat. It is not easy to make but fun and challenging to do.

You need 14 pairs of bobbins with linen 140/2 or similar.

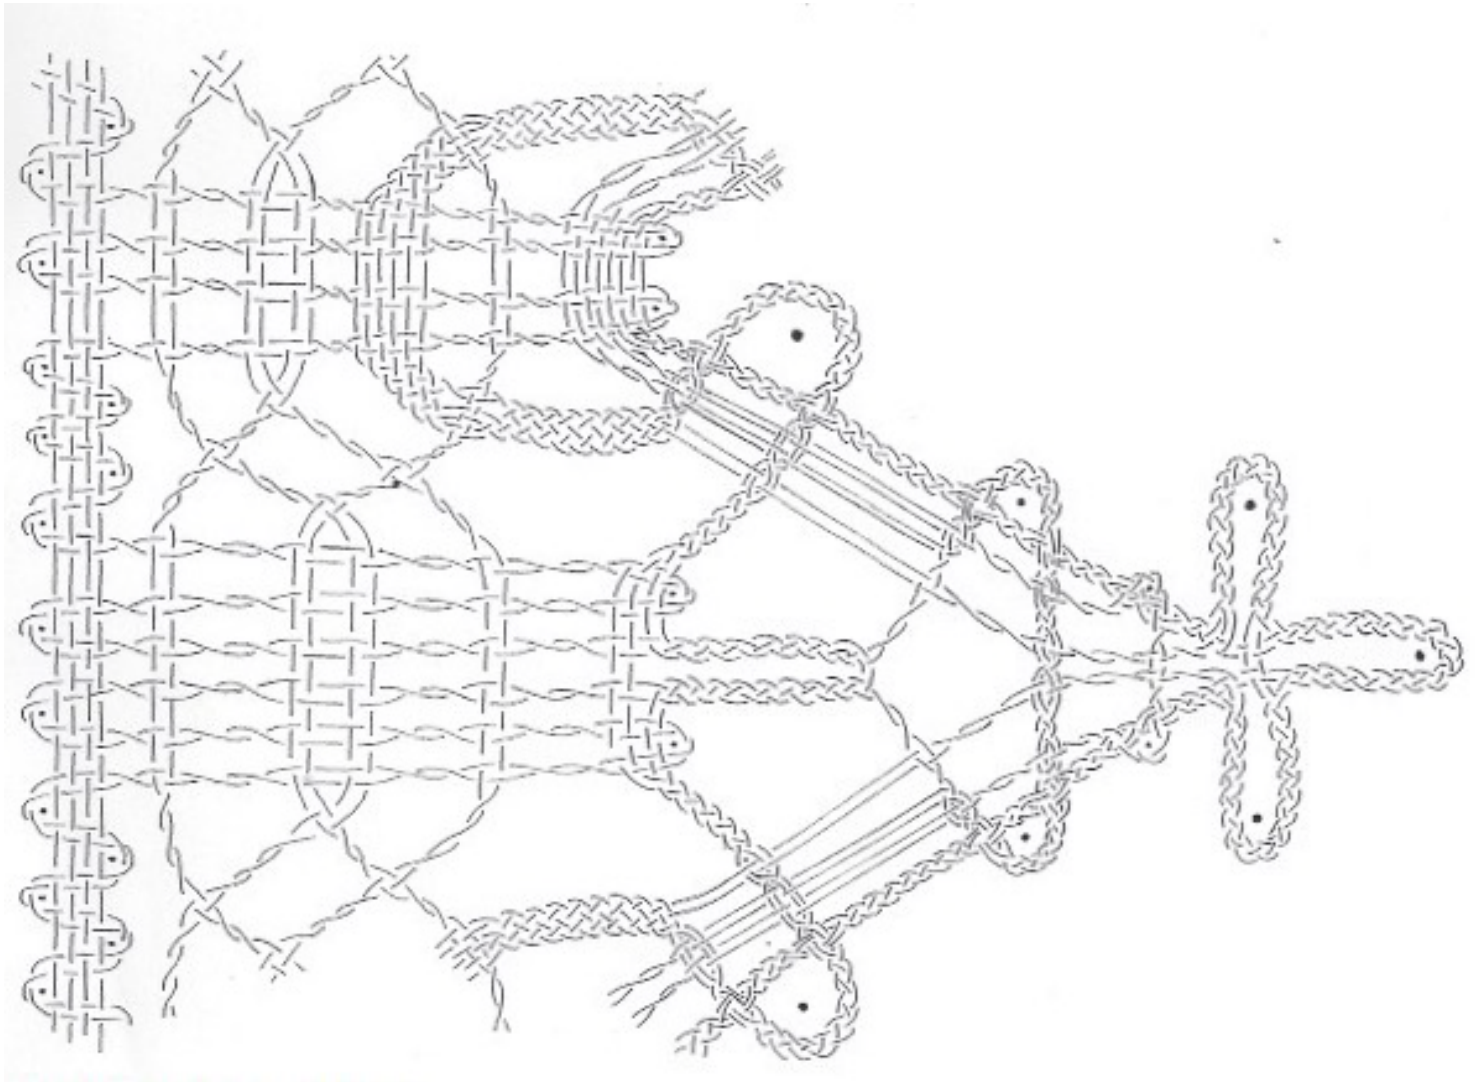

The diagram and thread drawing are on the next page.

Hav a lot of fun with this challenge.
