

Week 50

We start now with a series of laces, originally published by the lace society "Het Molenwiekje", a Dutch lace society in the beginning of the 20th century.

We got a few pages of this society covered with Dutch laces.

This one is an edging for a handkerchief, designed by Mrs. Emmy van Bilderbeek

You need 13 pairs of bobbins with linen 50/2 or similar.

The edging will not cause you any problems. When you click on the small photo on the page "Kantje per week", you will get the big version of the photo above.

Happy lacing!
