

## Week 22

This Michailov edging also has a scallop, a beautiful big one.

I also used different threads again: linen 35/2 (blue), linen 50/3 (white) and aïda coton 15 (red).

You need in total 21 pairs of bobbins with the above mentioned threads or of similar thickness.

The thread diagram below shows how the edging is worked and where the pins should be placed
