

Week 24

This insertion is also een Michailov lace. You can make it in one or more colors. I think both will be beautiful. When you use more colors it is probably more following the Michailov tradition. It is your choice.

You need 26 pairs of bobbins with linen 40/2 or .similar

The thread diagram below shows the way the lace is made. The double crosses in the pricking indicate the place where 4 pairs cross each other. The top and bottom tally of the flower are made with 4 pairs. So there will be 5 threads in the middle in stead of one.
