

Week 25

We start now with a new series of Russian laces, the Russian tapelace. Every turn of the workers a pin, only a few pairs and a lot of sewings

Your need 7 pairs of bobbins with linen 40/2 or similar and 2 pairs with a thicker gimp.

The gimps are worked in the middle of the tape in chain stitch. This is done as follows:

Hang the 2 pairs open around a pin. When you use 2 colors, lay 1 color in the middle and the other one on both sides. Lay the workers under the outer thread, over the 2 centre threads and under the outer thread again. Twist both pairs. Repeat this every row.
