

Week 32

Also this point ground edging has a scalloped edge with a string of honeycombs beside it. The other motif has 3 honeycombs with in 2 a tally.

You need 21 pairs of bobbins with Egyptian cotton 90/2 or similar and 2 pairs with a cimp i.e. buttonhole thread.

In the pricking only the gimps and the tallys are drawn. Otherwise it will be very full and unclear. The diagram therefore is very important. The gimp around the string of honeycombs is laid in on top of the edging. Around the motif the gimp is laid in above the motif and taken out underneath it.
